SUBMISSION OF REPLACEMENT DECLARATION

Assistant Commissioner for Patents  
Washington, D.C. 20231

April 10, 2003

Sir:

Attached hereto is a replacement declaration for the above-identified application which replaces the declaration filed on October 15, 2001, in the present application in response to the Notice to File Missing Parts of Nonprovisional Application of October 9, 2001.

The declaration filed on October 15, 2001, in the present application is actually for application Serial No. 09/942,862 filed on August 31, 2001, which is a divisional application of the present application.

The declaration attached hereto for the present application is identical to the declaration filed on October 15, 2001, in the present application which is actually for divisional application 09/942,862 except that page 1 of the

declaration attached hereto for the present application lists the title "Method and Apparatus for Inspecting a Semiconductor Device" of the present application which appears on page 1 of the original specification of the present application, while page 1 of the declaration filed on October 15, 2001, in the present application which is actually for divisional application Serial No. 09/942,862 lists the original title "A Method of Fabricating a Semiconductor Device" of divisional application Serial No. 09/942,862.

Both the declaration attached hereto for the present application and the declaration filed on October 15, 2001, in the present application which is actually for divisional application 09/942,862 consist of four pages erroneously numbered "Page 1 of 5", "Page 2 of 5", "Page 3 of 5", and "Page 4 of 5". These four pages should have been numbered "Page 1 of 4", "Page 2 of 4", "Page 3 of 4", and "Page 4 of 4" because both of the declarations consist of only four pages, and were never intended to include a Page 5.

The original specification (except for the title, the first paragraph, and the claims) and the original drawings of the present application are identical to the original specification (except for the title, the first paragraph, and the claims) and the original drawings of divisional application Serial No. 09/942,862.

It is respectfully requested that the declaration attached hereto for the present application be placed in the file of the present application.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
